

# Nasukarasuyama City Guide

#Enjoy Nasukarasuyama with all five senses

Breathtaking scenery created by the *Satoyama* and clear streams. Some of the greatest charms of Nasukarasuyama City lies within the Nakagawa Prefectural Natural Park. Spreading out at the foot of the Yamizo Mountains, the park boasts a rich natural environment with clear rivers, such as the Nakagawa River and Arakawa River flowing through it. The tranquil *Satoyama*, often considered a "quintessential Japanese landscape", delights the eyes of visitors. Explore some of the hidden spots that are popular among the locals.
